Agree to Policy Disclaimer

I understand and agree that by registering on this site, http://nrainstuctors.org, I am applying for certification as an NRA Instructor, Range Safety Officer, or Coach. I understand that certification as an instructor, range safety officer or coach is a statement by the NRA that in our opinion, and based upon the evidence available to the NRA, you meet the requirements which NRA has set for the certification. Certification does not create a contractual relationship with the NRA, and may be revoked at the discretion of the NRA.

I acknowledge that the NRA Education and Training student and instructor course material, requirements and teaching format will change periodically. I understand that if I desire to maintain my rating(s), I will abide by these changes. If I no longer desire to abide by these changes, I have the obligation to resign from the appropriate ratings.

I acknowledge that certification is a privilege which may be revoked by NRA at NRA’s sole discretion.

I acknowledge that the NRA retains exclusive rights to its copyrighted course materials and all related intellectual property. Instructors are not authorized to reproduce, duplicate or distribute any NRA materials, without the prior written authorization of the NRA.

I have reviewed and will abide by the NRA Trainer’s Ethics Guide, or NRA Coaches Ethics Code as appropriate.

I understand that when using NRA trainer titles or trainer emblems, that all listed or referenced courses must be NRA courses unless the required disclaimer is also used. If the courses listed are a mix of NRA and non-NRA courses, each and every non-NRA course listed or described must include the disclaimer, “This is not an NRA-approved course,” in type at least as large as that used for the course title. The use of the NRA name, trainer title(s), or trainer emblem(s) must not be used in such a manner as to cause the public to reasonably believe the user is an NRA employee or that their location is an NRA place of business.

I represent, warrant and certify that I am not prohibited by any federal, state, or local law, ordinance, or regulation from possessing, purchasing, or using firearms.

Options for result column (if applicable) REC - Recommended, NREC - Not Recommended.
A red asterisk "*" denotes "required".

Tips:
1. Phone numbers need to be entered with "-" separations.

2. Email address is required. The exception to this is for "students" who are attending "basic" (non-instructor, non RSO) level training but the field must be populated. If a student enrolling in basic training refuses to give an email address, simply enter "none@none.com".

3. All persons enrolled in Instructor and RSO level training are referred to as "Candidates" and must provide a valid, accurate email address.
If the student or candidate is enrolling in BSA-related training, the BSA council name and BSA council member ID number are required. Otherwise, these fields can be left blank.

Wrap up the student registration process by first affirming the information is true and correct and then clicking "Register Student". This button will say "Register Student" regardless of whether the class is basic or Instructor/RSO in nature.

Notice: If a student wishes not to be solicited by other NRA departments such as membership, make sure "Share your personal information with NRA affiliates" remains unchecked.

You must check the box for “Certify” before clicking “Register Student”.

Student personal information MUST be correct, this information can be subpoenaed by law enforcement or a court of law.
Completed Student Enrollment

The course and student registration process is finished and an open course has been formed! The course can begin!

Tip: If they haven’t been ordered already, materials should be ordered at this point.

Take into consideration a minimum 3-4 week delivery time on materials when scheduling any NRA class.
Ensure students with dual-family Hispanic last names join the NRA with their paternal (apellido paterno) and maternal (apellido materno) last names correctly hyphenated in the “Last Name” block on a Membership application.
Ensure students with dual-family Hispanic last names register for your course with their paternal (apellido paterno) and maternal (apellido materno) last names correctly hyphenated in the “Last Name” block on a Membership application.

A common mistake is for students to split their last names between middle and last name blocks.
Now that the course has been finished, the course report can be submitted. Start this process by logging in to NRAI and follow steps 1 (HOVER) and 2 (CLICK) on the left to access the open course.
